

BY THE NUMBERS

45 exchanges

ETD markets accessible

12 months

From selection to live service

24-hour

Managed service support coverage

CLIENT STORY

ETD clearing solution live, on time and on budget

Less than a year after selecting **Sernova Financial**, a major European bank's Prime Services division went live with a managed post-trade service connecting clients to 45 ETD exchanges with 24-hour support coverage

WHAT OUR CLIENT SET OUT TO ACHIEVE

Broader client reach

Clear ETD transactions for institutional clients across global markets

Operational efficiency

Streamline middle and back-office processes and cut running costs

Stronger control

Improve risk management, transparency and regulatory compliance

HOW WE DELIVERED IT

A managed post-trade processing service, live on time and within budget

COMBINING

Sernova expertise
Sernova technology
Managed service model
